Dear Bernice,

I would like to offer my appreciation for the excellent care my mother receives at Whispering Knoll.

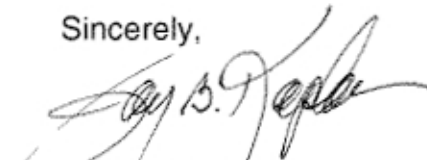

The staff is quite personable and accommodating in addition to their providing excellent service. The social activities and entertainment provided are also top notch.

I am also very satisfied with the response to any question or concern - and any occasional complaint has always been immediately addressed to our satisfaction.

My mother is happy to be a resident . . . so much so that she even refused to consider leaving when my wife and I wanted to move her nearer to where we live.

Thank you for providing for her with respect and care.

Sincerely,

Jay B. Kaplan
